

## Community Found!

"THERE IS NO POWER FOR CHANGE GREATER THAN A COMMUNITY DISCOVERING WHAT IT CARES ABOUT."

~ MARGARET J. WHEATLEY

## CBCF Membership

We're always asking people to join the Colonial Beach Community Foundation (CBCF). Why? Why do we ask and why should you join? The answer to both of those questions is simple: the CBCF exists to support, serve, and nurture our community; the more residents who support the CBCF, the more CBCF can do for our community.

Regardless of where in our

**TOGETHER**  
**WE CAN ACHIEVE MORE**

community we live, work, worship, etc.; how old or young we are; how much we have or don't have; and anything else that might try to separate us, the CBCF binds us all together. Membership reminds ourselves and loudly proclaims to others that we care about our community and share common goals to make it the best it can be.

In addition to an enhanced sense of community, membership in the CBCF has tangible perks too. New members receive a CBCF tee shirt and window cling, and discounts on CBCF events.

We encourage you to *learn more* about our vision, mission, and values; and invite you to *join us* at one the following levels of membership.

## Dabney Vaccaro, LLC & Rooted in Wellness

The CBCF welcomes our new Bronze-level Foundation Friend, Dabney Vaccaro, LLC.

Dabney began her health and wellness business in 2017. She believes that anyone can live the life they desire and live better, longer. As a health coach, she helps her clients set health and wellness goals, and coaches them towards meeting those goals by sharing knowledge and helping to develop necessary habits and tools.

Dabney chose to become a Foundation Friend because the CBCF seeks to enrich the community by supporting other organizations, many of which center around youth and family, and being active. She wants to be a part of "this grand effort to not only encourage activities, but also the unity of community."

Visit Dabney's *Rooted in Wellness* website to learn more about her and how a health coach can help enrich your life and wellness, and read her Health Bites blog.
