

## Community Found!

"THERE IS NO POWER FOR CHANGE GREATER THAN A COMMUNITY DISCOVERING WHAT IT CARES ABOUT."

~ MARGARET J. WHEATLEY

## WWER 88.1 FM Debut!

Radio station WWER 88.1 FM goes on air at midnight June 1st! That means you can be listening to Colonial Beach Community Radio before you go to sleep tonight.

WWER's mission is "to deliver programming that serves and supports Colonial Beach in ways that commercial stations do not, by broadcasting unique, local programs that inform and engage both residents and visitors." Station Manager Ted Tait says to expect a general music mix during the week, a more

upbeat beach mix for the weekend, and several specialty shows that both entertain and inform.

WWER is a non-commercial station and, in true Colonial Beach spirit, the voices behind the microphone belong to volunteers. We are fortunate to have broadcast professionals among our full- and part-time residents, who are willing to bring radio to us as a "labor of love" for both radio and Colonial Beach. Also, in true Colonial Beach spirit, the Chamber of Commerce is sharing their office space with WWER.

We encourage you to explore *WWER's website* and follow *WWER on Facebook*. You'll be glad you did. The team updates both almost daily and their enthusiasm is evident and infectious.

## Messy Mondays Are Coming

This summer, the Colonial Beach Recreation Association is partnering with the Colonial Beach Community Foundation, Colonial Beach Outfitters, and Crafts for a Cause to present **Messy Mondays** -- family-oriented, community-building days to get outside and play! Two Messy Mondays are planned each month during June, July, and August.

On June 10th, you are invited to play Giant Lawn Games at Riverwood Apartments from 4 until 6 pm. Then, two weeks later, on June 24th, celebrate Disco Day at the Colonial Beach Community Center (717

Marshall Ave) from 9 until 11 am.

The Colonial Beach Recreation Association's mission is to create, promote, and facilitate recreational and outdoor activities. Follow them on [Facebook](#) to learn more.

## CBCF Seeks 4-H Summer Camp Sponsors

Every summer, the Colonial Beach Community Foundation (CBCF) provides financial assistance to local children who want to attend 4-H Junior Camp. CBCF pays full tuition for the week-long camp for as many children as possible, on a first-come, first-served basis, plus provides a few dollars for spending money while at the camp. This year, a record number of families have requested financial assistance to enable their children to experience summer camp.

The 4-H Junior Camp provides experiential learning that helps teach children decision-making, problem-solving, and resources management skills. It offers them opportunities to learn, grow, and make lifelong memories. Hands-on educational programs may include: aquatics, wildlife and ecology, team building, target sports (such as archery), STEM (Science, Technology, Engineering, Mathematics), and creative arts.

If you can help the kids who are counting on us, please send your donations to CBCF, P. O. Box 375, Colonial Beach, VA, 22443 before June 30, 2019.

Be sure to indicate that you want the funds to support the 4-H Camp. Or, *donate online* using PayPal or a credit card. Every donation, no matter the amount, helps.
