Workshop On Beautification & Runoff

"Plants, Not Puddles" Workshop

Sponsored by the Foundation

Saturday, August 14
Beginning at 10 AM
Colonial Beach Community Center
(717 Marshall Ave)

Yard wet? Tired of puddles that seem like ponds? Join us at the Plants, Not Puddles workshop to learn how to both beautify your yard and help manage runoff into our waterways. During this workshop, the Town of Colonial Beach will present options and resources, such as rain gardens, rain barrels, pervious pavers, and drainage systems. In some cases, funds and grants might be available to help offset your investment. We also will introduce a discount program for fall plantings in partnership with Ingleside Nurseries.

This workshop is brought to you by the Foundation in collaboration with the Town of Colonial Beach and with support from Ingleside Nurseries, and made possible by a grant from Virginia American Water.

The Town of Colonial Beach will broadcast the workshop on [Facebook Live](#) and make the video available on its [website](#).
