Safety Grants, Part Two

More Community Safety Grants Awarded

Using proceeds from last year's Beach Music Festival, the Foundation has earmarked funds to support community safety projects. We have invited our local nonprofits to think about what *safety* means to them and our community, and spearhead projects that promote safety and well-being.

This month, we are pleased to announce that we will award the Town of Colonial Beach \$1,800 to purchase, install, and maintain a beach access mat.

Last month, we announced awards to WWER 88.1 to provide backup generators that ensure the station stays on the air and online during power outages and emergencies; and Riverkeepers Network to support regular water testing.

We might have a final announcement next month...

NNK Beach Music Festival

We're Getting Close...

The Foundation's flagship fundraiser -- the Northern Neck Beach Music Festival -- is less than one month away. Don't let this opportunity to spend an afternoon enjoying good food, beverages, and music by *The Catalinas*, the *Feature Attraction Band*, and Motown Butta pass you by.

Congratulations, BAMM!

Recently, BAMM -- Beach Arts, Music, and Mentoring -- received its 501(c)3 designation. Once under the umbrella of the Foundation, BAMM is now its own fiduciary agent; therefore, we can no longer accept donations on BAMM's behalf. We congratulate BAMM on its successes in their good work supporting our teachers and students. Though no longer under our umbrella, we still consider BAMM one of our valuable community partners who share our values and affection for Colonial Beach.
