

COLONIAL BEACH COMMUNITY FOUNDATION

REPORT TO THE COMMUNITY

2020-2021

MISSION, PURPOSE, HISTORY

The Colonial Beach Community Foundation was founded by a group of interested citizens of our town, led by the Chamber of Commerce, in 2004-2005. The mission of the Foundation is “to improve the quality of life for those living in, and around, Colonial Beach.”

In order to achieve “official” accreditation by the Council of Foundations, the extensive process of review, editing, and adding policies, procedures and paper work was initiated.

Today, the Foundation is a robust organization that continues the original goal. It has been successful over the years and has steadily gained the respect of the people it serves. The vigorous and dedicated Board of Directors continues to serve in a volunteer capacity.

This community foundation is to benefit the citizens and guests of Colonial Beach and is steadily improving in its ability to serve the town and surrounding area. Continuing with the reorganization of the management structure of the Foundation, we have refined the work and responsibility of this all-volunteer organization. The five areas of our goals and objectives -- Community Strength for Success; Health and Well-Being; Youth Development and Education; Environment Protection and Beautification; Quality of Life and Cultural Enhancement -- are clearly laid out and the work load is spread more equitably among the fifteen directors. Because of this reorganization the CBCF has been able to accomplish more and provide more support to the six areas noted in our goals and objectives.

BOARD OF DIRECTORS

The following individuals served on the Board of Directors for all, or part of, the years 2020 and 2021:

Kay Blunt

Cathy Bokman

Cathy Cabrey

Merrie Cosby

Alan Darlington

2021 Ending Balance	\$192,203.42

MOVING FORWARD

In 2022, the Colonial Beach Community Foundation will continue to award grants; give scholarships to Colonial Beach High School students pursuing higher education or job training; explore hiring a part-time executive director; work toward creating a larger endowment to ensure financial stability and security; and continue previous fundraising and support efforts.
